Free childcare for working parents: step-by-step guide

Step 1

Check if you're eligible for free childcare and find out what types of childcare you can use.

Step 2

Check how much help you could get.

Step 3

Apply for your free childcare. You will get a code if you're eligible.

Step 4

Give your code to your childcare provider.

Step 5

Sign in to your account to reconfirm your details. You must confirm your details are up to date every 3 months or your code will expire.
